Maine Controlled Substance Prescription Order Form

In accordance with Maine law regarding written prescriptions for schedule II drugs, we have met the stringent requirements and stand ready to assist you in meeting state regulations as quickly and easily as possible.

Maine law does not permit phone orders. To order counterfeit-proof prescription blanks, simply fill out the order form and then mail, fax or email it to the addresses or fax number below. Our helpful telephone representatives will be happy to answer your questions before you place your written order. Feel free to call us toll-free at 800-789-1186.

Security Features

1. A latent “void” pattern is printed across the entire width of the front of the blank, so if a prescription is photocopied, the word “void” will appear in a pattern across the entire front of the prescription.

2. The prescription blank contains the symbol Rx printed with red thermochromatic ink that disappears if rubbed or scratched briskly.

3. Microprint signature line.

4. Security backprinting

5. Watermark
