

VICTOR®

12 digit calculator is perfect for the occasional user, especially in a small office or home office setting. Features an extra large LCD display for easy viewing. Environmentally friendly, this calculator is manufactured with 20% recycled plastic. Cost/sell/margin keys make for quick and easy profit margin calculations (simply enter two variables and the third automatically appears).

1208-2

Compact Commercial Printing Calculator with 20% Recycled Plastic
