

VICTOR®

PL8000

14 digit calculator is perfect for the everyday advanced user, especially in a busy office setting. Innovative Prompt Logic™ guides the user in performing multiple functions including: installment loans, time calculations, cost/sell/margin, currency and more! The only calculator with a HELP key, which displays and prints instant descriptions and instructions. Programmable with up to six user-defined alphanumeric text messages that can be printed on your tape.

Heavy-Duty Commercial Printing Calculator with Prompt Logic™ and HELP Key
